Critic's Choice

Sunday
9 p.m. on CBS 11

Cold Case: "Come fly with me, let's fly, let's fly away." That would have been good advice for a flight attendant killed in 1960 while trying to form a union. It seems she wasn't making friendly skies, and her bones were discovered in a hotel that was being converted into condos. Rush (Kathryn Morris) and the team investigate in the new episode "Wings," which features the music of Frank Sinatra. Adrienne Barbeau, Lee Majors and Mariette Hartley guest star.

Monday
8:30 p.m. on ABC 13

Charlie and the Chocolate Factory: This is a really freaky version of the book, and if you have

a phobia of dentists or big teeth, avoid it at all costs. If, however, you're like us and appreciate young Freddie Highmore, grab some popcorn. He stars as Charlie, a poor boy who wins a trip to see the inside of a mysterious candymaker's — played by a deathly pale Johnny Depp — factory.

Tuesday
8 p.m. on FOX 36

House: Rock climbing requires fast reflexes, and when a woman (guest star Janel Moloney) suddenly can't move her hands, her daughter almost pays the price. House (Hugh Laurie) tries to figure out what is causing the paralysis and the lady's additional symptoms of blindness and decreased immune system activity in "It's a Wonderful Lie."
